

Three Main Strategic Aims of the Trauma Informed Plymouth

1) Plymouth has a Network (TIPN) of individuals, organisations, and whole systems who are united in pursuing the vision

Supporting the Network

- Increasing our reach
- Attending to Diversity and Inclusion
- Connection of the whole network and branch activity towards the vision
- **Sustainability**
- **Evaluation**

2) The TIPN raises awareness and understanding of trauma, the trauma lens, and trauma informed and responsive practice

Supporting People

- Training delivery
- Accreditation and excellent facilitation
- Training development for the future
- **Sustainability**
- **Evaluation**

3) The TIPN influence system development and change in trauma informed and responsive practice

Supporting the System

- Sharing our vision and trauma lens in the city
- Influencing & shaping policy and process
- Horizon Scanning – stay current and credible
- **Sustainability**
- **Evaluation**
